

Welcome to 3rd Grade!

Dear Third Grade Students and Families,

I hope you were able to enjoy your summer and relax! I am absolutely thrilled that I will be your third-grade teacher this year. I am looking forward to a fun year of learning together and getting to know all of you! I know you have worked hard in second grade and are ready for 3rd grade!

Things may look a bit different this year as we follow state guidelines to keep our friends and families safe and healthy. I promise we will still have an exciting year full of interesting topics and activities. I look forward to teaching you some of my favorite subjects such as The Solar System, trading in history, math, writing, and more!

I have put together a list of school supplies for this year. Due to restrictions this year, we will not be able to share materials so please make sure you have these specific materials.

I thank God for this opportunity to be your teacher. I can't wait to see you soon!

Sincerely,

Ms. Mercado
