

Hello Fifth Grade Class,

I am so excited to be your teacher this year. We have something in common already. We will both be starting fifth grade at FCA for the first time together. This is my first year at FCA and I am so happy to be here.

We are going to have a fun and exciting year together. We are going to grow in academics and in God's love.

I have been a teacher for 12 years. I love teaching and I can't wait to have you all as my student this upcoming school year.

Enjoy the rest of your summer and I will see you all very soon.

God Bless,

Miss.De Block
