

Dear 4th Grade Friends and Family,

Welcome to 4th Grade with Mrs. Wade! I am so excited to meet you and work with you in just a few weeks. This year we will dive deep into writing for ELA, cover topics like the wild west in Social Studies, divide and conquer in Math, and explore the ocean in Science. Oh, and don't forget my favorite subject of all- READING! Fourth grade is a year full of exciting topics and challenges that I will be helping you accomplish as we take this journey together.

Whether you have been a student at FCA before, or are joining us new this year, it is safe to say that we are ALL so excited to start this year together in the classroom! Things may look a little different as we follow state guidelines to keep everyone and everything as safe and sanitized as possible. However, that will not stop us from learning together and having fun. Attached you will find a school supplies list for this year. It is important to have these specific materials as we will not be sharing markers/crayons/ etc. as we have in the past due to guidelines.

I can't wait to start learning with you!

Blessings,

Mrs. Wade
